Black Cargo

The Black Cargo—John Phillips Marquand 1925

Summary of Barracoon: The Story of the Last Black Cargo: Trivia/Quiz for Fans-Whizbooks 2018-09-02

Summary of Barracoon: The Story of the Last Black Cargo—abducted from Africa on the last “Black Cargo” ship to arrive in the United States. In 1927, Zora Neale Hurston went to Plateau, Alabama, just outside Mobile, to interview eighty-six-year-old Cudjo Lewis. Of the millions of men, women, and children transported from Africa to America as slaves, Cudjo was then the only person alive to tell the story of this integral part of the nation’s history. Hurston was there to record Cudjo’s firsthand account of the raid that led to his capture and bondage fifty years after the Atlantic slave trade was outlawed in the United States. In 1927, Hurston and Cudjo traveled to Plateau, Alabama, where they spent three months together. Cudjo and other slave survivors from the Clotilda ship. Spending more than three months there, she talked in depth with Cudjo about the details of his life. During those weeks, the young writer and the elderly formerly enslaved man ate peaches and watermelon that grew in the backyard and talked about Cudjo’s past—memories from his childhood in Africa, the horrors of being captured and held in a barracoon for selection by American slavers, the harrowing experience of the Middle Passage packed with more than 100 other souls aboard the Clotilda, and the years he spent in slavery until the end of the Civil War. Based on those interviews, featuring Cudjo’s unique vernacular, and written from Hurston’s perspective with the compassion and singular style that have made her one of the preeminent American authors of the twentieth-century, Barracoon masterfully illustrates the tragedy of slavery and of one life forever defined by it. Offering insight into the pernicious legacy that continues to haunt us all, black and white, this poignant and powerful work is an invaluable contribution to our shared history and culture.

The Middle Passage-Tom Feelings 2018 Feelings’ award-winning masterpiece explores the horrors of the transatlantic slave trade in a series of extraordinary narrative paintings. This updated edition includes Introductions from artist Nelson, the author’s son Kamil Feelings, and scholar Suzanne Smith. This is the story of a crusade propaganda, Barker gives a rich picture of the context in which merchants traded and enslaved people met their fate.

That Most Precious Merchandise-Hannah Barker 2019-09-27

The history of the Black Sea as a source of Mediterranean slaves stretches from ancient times to the eighteenth century, more than 300,000 white people were shipped to America as slaves. Europeans sweep up from London’s streets to labor in the tobacco fields, where life expectancy was no more than two years. Brothels were raided to provide "breeders" for Virginia. Hopeful migrants were duped into signing as indentured servants, unaware they would become personal property who could be bought, sold, and even gambled away. Transported convicts were paraded for sale like livestock. Drawing on letters crying for help, diaries, and court and government archives, Don Jordan and Michael Walsh demonstrate that the brutalities usually associated with black slavery alone were perpetrated on whites throughout British rule. The trade ended with American independence, but the British still tried to sell convicts in their former colonies, which prompted one of the most audacious plots in Anglo-American history. This is a saga of exploration and cruelty spanning 170 years that has been submerged under the overwhelming memory of black slavery. White Cargo brings the brutal, uncomfortable story to the surface.

Satan Black ; And, Cargo Unknown-Kenneth Robeson 1980

White Cargo-Don Jordan 2008-03-08 White Cargo is the forgotten story of the thousands of Britons who lived and died in bondage in Britain’s American colonies. In the seventeenth and eighteenth centuries, more than 300,000 white people were shipped to America as slaves. The British sweep up from London’s streets to labor in the tobacco fields, where life expectancy was no more than two years. Brothels were raided to provide "breeders" for Virginia. Hopeful migrants were duped into signing as indentured servants, unaware they would become personal property who could be bought, sold, and even gambled away. The Black Cargo-John Morrison 1955

Black Cargo

In 1927, Zora Neale Hurston went to Plateau, Alabama, just outside Mobile, to interview eighty-six-year-old Cudjo Lewis. Of the millions of men, women, and children transported from Africa to America as slaves, Cudjo was then the only person alive to tell the story of this integral part of the nation’s history. Hurston was there to record Cudjo’s firsthand account of the raid that led to his capture and bondage fifty years after the Atlantic slave trade was outlawed in the United States. In 1927, Zora Neale Hurston went to Plateau, Alabama, just outside Mobile, to interview eighty-six-year-old Cudjo Lewis. Of the millions of men, women, and children transported from Africa to America as slaves, Cudjo was then the only person alive to tell the story of this integral part of the nation’s history. Hurston was there to record Cudjo’s firsthand account of the raid that led to his capture and bondage fifty years after the Atlantic slave trade was outlawed in the United States.
Black Cargo-Africans, and was published posthumously. It is a credit to Zora Neale Hurston who refused to back down on the style of the book. She used the dialect of the slaves in the manner that Cudjo spoke in his interviews with her. This story captivates your attention with its authenticity and sensitivity. It is a shocking story bringing home the reality of slave trade. A practice banned fifty years before Kossula was captured. However, due to an insensitive bet, the last black cargo, was captured and boarded the ship to America. It was a journey that severely altered the lives of the men and women who were on the Clotilda, to sail from Africa to America. Tony Morrison of the New York Times acclaims the book as a 'Best Seller' and refers to Hurston as 'one of the greatest writers of our time.' Features You'll Discover Inside:- A comprehensive guide to aid in discussion & discovery - 30 multiple choice questions on the book, plots, characters, and author - Insightful resour

The Ark's Cargo-William W. Buish, Dvm 2013 This memoir describes the challenges a young man faces in achieving his dream of becoming a veterinarian. Even a period of homelessness and limited resources do not interfere with his commitment to achieve success. And this is only the beginning! So he is faced with the challenges of working in the jungles of Panama, facing the ravages of a roaming black jaguar and the defenses of a native village against the entrance of man or beast. Then, how about Haiti, where the Tonton Macoute militiamen believe in instant justice, rarely valuing life, or Columbia, where the drug lords have absolute rule. As if that isn't enough, consider working in the African continent, along the tales surrounding the first shipment of Charolais cattle to the United States or the many facets of working with the wild mustangs in Colorado. Each exciting adventure is told with suspense, drama, and humor! Enjoy!

Black Cargo-Harold Calin 1969

Williams' Gang-Jeff Forret 2020-01-16 Explores a Washington, DC, slave trader's legal misadventures associated with transporting convict slaves through New Orleans.

The Black Cargo-John Phillips Marquand 1925

Black Cargo-1807-03-03 How an eighteenth-century engraving of the slave ship became a cultural icon of black resistance, identity, and remembrance One of the most iconic images of slavery is a schematic wood engraving depicting the human cargo hold of a slave ship. First published by British abolitionists in 1788, it exposed this widespread commercial practice for what it really was—shocking, immoral, barbaric, unimaginable. Printed as handills and broadsides, the image Cheryl Finley has termed the "slave ship icon" was easily reproduced, and by the end of the eighteenth century it was circulating by the tens of thousands around the Atlantic rim. Committed to Memory provides the first in-depth look at how an eighteenth-century engraving of the slave ship icon became a powerful tool in the hands of British and American abolitionists, and how its radical potential was rediscovered in the twentieth century by black artists, activists, writers, filmmakers, and curators. Finley offers provocative new insights into the works of Amiri Baraka, Romare Bearden, Betye Saar, and many others. She demonstrates how the icon was transformed into poetry, literature, visual art, sculpture, performance, and film—and became a medium through which diasporic Africans have reasserted their common identity and memorialized their ancestors. Beautifully illustrated, Committed to Memory features works from around the world, taking readers from the United States and England to West
Africa and the Caribbean. It shows how contemporary black artists and their allies have used this iconic eighteenth-century engraving to reflect on the trauma of slavery and come to terms with its legacy.

Here Comes the Sun: A Novel-Nicole Dennis-Benn 2016-06-06 A New York Times Notable Book of the Year Winner of the LAMBDA Literary Award for Lesbian Fiction Named a Best Book of 2016 by NPR, Entertainment Weekly, BuzzFeed, Bustle, San Francisco Chronicle, The Root, BookRiot, Kirkus Reviews, NYLON, Amazon, WBUR's "On Point", the Barnes & Noble Review, and Amazon (Fiction & Literature) Finalist for the NYPL Young Lions Fiction Award and the Center for Fiction’s First Novel Prize Selected for the Grand Prix Littéraire of the Association of Caribbean Writers Longlisted for the ALA Over the Rainbow Award Longlisted for the Dublin Literary Award In this radiant, highly anticipated debut, a cast of unforgettable women battle for independence while a maelstrom of change threatens their Jamaican village. Capturing the distinct rhythms of Jamaican life and dialect, Nicole Dennis-Benn pens a tender hymn to a world hidden among pristine beaches and the wide expanse of turquoise seas. At an opulent resort in Montego Bay, Margot hustles to send her younger sister, Thandi, to school. Taught as a girl to trade her sexuality for survival, Margot is ruthlessly determined to shield Thandi from the same fate. When plans for a new hotel threaten their village, Margot sees not only an opportunity for her own financial independence but also a chance perhaps to avoid a shocking secret: her forbidden love for another woman. As they face the future with renewed hope and an affirmation of their community, each woman—fighting to balance the burdens she shoulders with the freedom she craves—must confront long-hidden scars. From a much-heralded new writer, Here Comes the Sun offers a dramatic glimpse into a vibrant, passionate world most outsiders see simply as paradise.

Every Tongue Got to Confess-Zora Neale Hurston 2009-10-13 A recently discovered collection of folktales celebrating African American oral tradition, community, and faith..."splendidly vivid and true."—New York Times Every Tongue Got to Confess is an extensive volume of African American folklore that Zora Neale Hurston collected on her travels through the Gulf States in the late 1920s. The bittersweet and often hilarious tales which range from longer narratives about God, the Devil, White Folk, and Mistaken Identity to witty one-liners reveal attitudes about faith, love, family, slavery, race, and community. Together, this collection of nearly 500 folktales weaves a vibrant tapestry that celebrates the African American life in the rural South and represents a major part of Zora Neale Hurston's literary legacy.

The Secret Life of Groceries-Benjamin Lorr 2020-09-08 In the tradition of Fast Food Nation and The Omnivore's Dilemma, an extraordinary investigation into the human lives at the heart of the American grocery store What does it take to run the American supermarket? How do products get to shelves? Who sets the price? And who suffers the consequences of increased convenience and efficiency? In this alarming exposé, author Benjamin Lorr pulls back the curtain on this highly secretive industry. Combining deep sourcing, immersive reporting, and compulsively readable prose, Lorr leads a wild investigation in which we learn: • The secrets of Trader Joe’s success from Trader Joe himself • Why truckers call their job "sharecropping on wheels" • What it takes for a product to earn certification labels like "organic" and "fair trade" • The struggles entrepreneurs face as they fight for shelf space, including essential tips, tricks, and traps for any new food business • The truth behind the alarming slave trade in the shrimp industry The result is a page-turning portrait of an industry in flux, filled with the passion, ingenuity, and exploitation required to make this everyday miracle continue to function. The product of five years of research and hundreds of interviews across every level of the industry, The Secret Life of Groceries delivers powerful social commentary on the inherently American quest for more and the social costs therein.

The Lives of Lucian Freud: Fame-William Feaver 2021-01-19 The first biography of the epic life of one of the most important, enigmatic and private British artists of the 20th century. Drawn from almost 40 years of conversations with the artist, letters and papers, it is a major work written by a well-known British art critic. Lucian Freud (1922-2011) is one of the most influential figurative painters of the 20th century. His paintings are in every major museum and many private collections here and abroad. William Feaver's daily calls from 1973 until Freud died in 2011, as well as interviews with family and friends were crucial sources for this book. Freud had ferocious energy, worked day and night but his circle was broad including not just other well-known artists but writers, bluebloods, royals in England and Europe, drag queens, fashion models gamblers, bookies and gangsters like the Kray twins. Fierce, rebellious, charismatically, extremely guarded about his life, he was witty, mischievous and a womanizer. This brilliantly researched book begins with the Freuds' life in Berlin, the rise of Hitler and the family's escape to London in 1933 when Lucian was 10. Sigmund Freud was his grandfather and Ernst, his father was an architect. In London in his twenties, his first solo show was in 1944 at the Lefevre Gallery. Around this time, Stephen Spender introduced him to Virginia Woolf; at night he was taking Pauline Tennant to the Gargoyle Club, owned by her father and frequented by Dylan Thomas; he was also meeting Sonia Orwell, Cecil Beaton, Auden, Patrick Leigh-Fermor and the Aly Khan, and his muse was a married femme fatale, 13 years older, Lorna Wishart. But it was Francis Bacon who would become his most important influence and the painters Frank Auerbach and David Hockney, close friends. This is an extremely intimate, lively and rich portrait of the artist, full of gossip and stories recounted by Freud to Feaver about people, encounters, and work. Freud's art was his life—"my work is purely autobiographical"—and he usually painted only family, lovers, children, though there were exceptions like the famous small portrait of the Queen. With his later portraits, the subjects were often nude, names were never given and sittings could take up to 16 months, each session lasting five hours but subjects were rarely bored as Freud was a great raconteur and mimic. This book is a major achievement, a tour de force that reveals the details of the life and innermost thoughts of the greatest portrait painter of our time. Volume I has 41 black and white integrated images, and 2 eight-page color inserts. Black Cargo-Julius Klein 1935

Cargo Cults and Millenarian Movements-G. W. Trompf 1990 The series Religion and Society (RS) contributes to the exploration of religions as social systems- both in Western and non-Western societies; in particular, it examines religions in their differentiation from, and intersection with, other cultural systems, such as art, economy, law and politics. Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual, the religious imagination, constructions of tradition, iconography, or media. In addition, the formation of religious communities, their construction of identity, and their relation to society and the wider public are key issues of this series.

The Black Cargo-John Phillips MARQUAND (the Elder.) 1925

White Cargo-Stuart Woods 2012-11-13 From the glittering beaches of the Caribbean to a final harrowing showdown in the Amazonian rain forest comes a breakneck tale of danger, intrigue, and depravity. Cat Catledge is a happy man. A self-made multi-millionaire at fifty, he has a loving wife and a beautiful teenage daughter. And after years of hard work, he is taking his family on the ultimate dream sabbatical: a two year cruise to the exotic shores, Cat's bliss—and his dearly loved family—are permanently shattered by an event so unexpected, so savage, and so tragically final that it leaves Cat completely devastated. Consumed by terrible guilt, he returns home alone, a broken man. Investigations by both the Colombian authorities and the U.S. State Department prove fruitless. Then, late one night, Cat is awakened by the telephone and, from far away, over the loud static, an achingly familiar voice utters a single, electrifying word. Driven by a mixture of hope and anguish, Cat slips back into South America on a desperate...
search for the daughter he cannot bring himself to believe is dead. Aided by an Australian ex-convict, a beautiful television journalist, and a man
known to him only as "Jim", Cat follows a trail of blood and graft, white powder and white slavery, and discovers in himself an unsuspected capacity
for ruthlessness and cunning, and—even more surprising—a rekindled capacity for love.

The Way Forward Is with a Broken Heart-Alice Walker 2012-02-01 "These are the stories that came to me to be told after the close of a magical
marriage to an extraordinary man that ended in a less-than-magical divorce. I found myself unmoored, unmated, ungrounded in a way that
challenged everything I'd ever thought about human relationships. Situated squarely in that terrifying paradise called freedom, precipitously out on
so many emotional limbs, it was as if I had been born; and in fact I was being reborn as the woman I was to become." So says Pulitzer Prize-winning
author Alice Walker about her beautiful new book, in which "one of the best American writers today" (The Washington Post) gives us superb stories
based on rich truths from her own experience. Imbued with Walker's wise philosophy and understanding of people, the spirit, sex and love, The Way
Forward Is with a Broken Heart begins with a lyrical, autobiographical story of a marriage set in the violent and volatile Deep South during the early
years of the civil rights movement. Walker goes on to imagine stories that grew out of the life following that marriage—a life, she writes, that was
"marked by deep sea-changes and transitions." These provocative stories showcase Walker's hard-won knowledge of love of many kinds and of the
relationships that shape our lives, as well as her infectious sense of humor and joy. Filled with wonder at the power of the life force and of the
capacity of human beings to move through love and loss and healing to love again, The Way Forward Is with a Broken Heart is an enriching,

The Journal of Negro History, Volume 1, January 1916-Various 2021-01-18

Moby-Duck-Donovan Hohn 2011-03-03 Selected by The New York Times Book Review as a Notable Book of the Year A revelatory tale of science,
adventure, and modern myth. When the writer Donovan Hohn heard of the mysterious loss of thousands of bath toys at sea, he figured he would
interview a few oceanographers, talk to a few beachcombers, and read up on Arctic science and geography. But questions can be like ocean currents:
wa de in too far, and they carry you away. Hohn's accidental odyssey pulls him into the secretive world of shipping conglomerates, the daring work of
Arctic researchers, the lunatic risks of maverick sailors, and the shadowy world of Chinese toy factories. Moby-Duck is a journey into the heart of the
sea and an adventure through science, myth, the global economy, and some of the worst weather imaginable. With each new discovery, Hohn learns
of another loose thread, and with each successive chase, he comes closer to understanding where his castaway quarry comes from and where it goes.
In the grand tradition of Tony Horwitz and David Quammen, Moby-Duck is a compulsively readable narrative of whimsy and curiosity.
